GENERAL SECRETARIAT.

No. G. 10194—*Ft.* 267-27-5, *dated 6th March* 1928.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 *(iii)* of the Mysore Forest Regulation XI of 1900 that the area the boundaries of which are set forth in the schedule annexed to this notification is constituted into a Reserved Forest.

Schedule.

District	Taluk	Hobli	Village	Approximate area	Name of block
Kadur ..	Mudgere ...	Kalasa ..	Mavinakere and Talagode.	1981 acres	Mavinakere and Talagode Block.

Situation.

A patch of mixed ever green and deciduous high forest extending on either sides of the Kalasa-Balahole road to the north of the river Bhadra.

Boundaries.

North.—Starting from the south-west corner of Survey No. 166 of the Hornad village on the village boundary between Mavinakere and Hornad villages the line runs in a north-easterly direction zig zag along the common village boundary between Hornad and Mavanakere, forming the south side of Survey Nos. 166, 147 and 120 of Hornad to the south-east corner of the last named survey number; then the line runs south and east along the west, south, east and north sides of Survey No. 714 of Mavinakere to its north-west corner where it meets the Hornad village boundary, then the east side of Survey No. 120 of Hornad to its north-east corner; then along the Hornad, Talagode village boundary to the south-west corner of Survey No. 180 of Talagode; then turns east right along the southern boundary of Survey No. 180 of the same Talagode village to the south east corner of the said survey number, then through Survey No. 175 of Talagode to the north-west corner of Survey No. 165 of the same village; then in the same direction again through the same Survey No. 175 to the south-west corner of Survey No. 172; then the west sides of Survey Nos. 172, 173, to its (173) south-west corner; then through Survey No. 175 to the south-west corner of Survey No. 170; then the west side of Survey No. 169 to its south-west corner; through Survey No. 175 of the same Talagode to the north-west corner of Survey No. 177; then the west and south sides of the same survey number; then the south side of Survey No 176 to its south-east corner; then through Survey No. 175 to the south-west corner of Survey No. 158 of Talagode; then right along the Talagode village boundary forming the south side of Survey Nos. 158, 116 and 81 of Talagode to the south-east corner of the last named survey number where it meets the Balehole-Basarikatte Road and the Balehole Halla and Kalasa Road junction near the Balehole Travellers' Bungalow.

East.—Then the line turns south along the Balehole Halla till it joins the River Bhadra.

South.—Then the line turns in a south-westerly direction zig zag right along the River Bhadra to the north-east corner of Survey No. 881 of Mavinakere village; then the north-west and south sides of the last named survey number and the south side of Survey No. 877, west side of Survey Nos. 881, 882, 885, 883 and 875 north side of Survey Nos. 876, 875, 874, 870 and 868, where it meets the Balehole-Kalasa Road; then along the said Road to the eastern bandh of Survey No. 861; then the east, north, west and south sides of the same Survey No. 861 to its south-east corner where it meets the Road; then right along the road to the north-east corner of Survey No. 4 of Ambinagudigi village on the common village boundary between Ambinagudigi and Mavinakere villages; then along the common village boundary forming the north and west sides of Survey No. 4 to the north-west corner of Survey No. 3 of Ambinagudigi village where it meets the Balehole-Kalasa Road; then right along the Balehole-Kalasa Road to the south-east corner of Survey No. 860 of Mavinakere village; then the east, north and west sides of the same survey number to its north-west corner where it meets the Balehole-Kalasa Road; then right along the Balehole-Kalasa Road to the north-west corner of Survey No. 850; then north through Survey No. 826 to the south-east corner of Survey No. 844; then the east side of the same survey number and south and east sides of Survey No. 843 east side of Survey No. 842, east and north sides of Survey No. 843 east side of Survey No. 842, east and north sides of Survey No. 841 to the north-west corner of the last named survey number; then through Survey No. 826 to the north-east corner of Survey No. 827; then the north side of Survey No. 827 to its north-west corner; then through Survey No. 826 to the northernmost corner bandh of Survey No. 828; then through

the same Survey No. 826 to the south-east corner of Survey No. 778; then the east side of the last named survey number and Survey No. 779 to the north-east corner of the same Survey No. 779; then through Survey No. 826 of the same Mavinakere to the south-east corner of Survey No. 817; then the east side of the same Survey Nos. 817 and 825, 824 and again of the same Survey No 825 the north side of Survey Nos. 823, 822, 819 and 820 to the south-west corner of the last named survey number; then through Survey No. 826 to the northernmost corner bandh of Survey No. 797 the north side of Survey Nos. 797 and 796 to the north-west corner bandh of the last named survey number; then through Survey No. 826 to the north-east corner of Survey No. 716; then the north side of the same last named survey number to its north-west corner; then through Survey No. 826 to the northernmost corner of Survey No. 718; then the west side of Survey No. 718 to its southernmost corner; then along the west side of Survey No. 826 to the north-east corner of Survey No. 719; then the north side of the same survey number to its north-west corner; then through Survey No. 709 to the north-west corner of Survey No. 674; then the west sides of Survey Nos. 674 and 673 to the north side of Survey Nos. 672 and 670 to the north-west corner of the last named survey number; then through Survey No. 709 to the north-east of Survey No. 676; then through Survey No. 709 to the south-east corner bandh of Survery No. 711; then the east and north sides of the same survey number the north and the west sides of Survey No. 710 to its south-west corner; then through Survey No. 709 to the north-west corner of Survey No. 677; then the west side of the same survey number to its southernmost corner; then through Survey No. 709 to the south-west corner of Survey No. 659; then through the same Survey No 709 to the north-east corner of Survey No. 678; then the north and west sides of the same survey number the north side of Survey No. 679 to its north-west corner; then through Survey No. 709 to the nort-east corner of Survey No. 686, then north side of the same Survey No, 686, east side of Survey No. 688, east and north sides of Survey No. 689 to its north-west corner; then through Survey No. 709 to the northern-most bandh of Survey No. 688; then its west side and the west sides of Survey Nos. 686 and 685 to its south-west corner where it meets the River Bhadra, then west right along the Bhadra River to the south-east corner of Survey No. 691 then the east side of Survey No. 693 to its eastern corner; then through Survey No. 709 to the south-west corner of Survey No. 690; then the south and east sides of the same Survey No. 690 to its north-east corner; then through the same Survey No. 709 to the south-east corner of Survey No. 703; then the east side of Survey No. 703 to its north-east corner then through Survey No. 709 to the south-east corner of Survey No. 708; tnen the east side of the same survey number to its north-east corner; then through Survey No. 709 to the north-west corner of the same survey number then the west side of Survey No. 708 to its south-west corner; then through Survey No. 709 to the north-east corner of Survey No. 705; then its north side to its north-west corner; then through Survey No. 709 to the north-west corner of Survey No. 706; then the west side of Survey Nos. 706 and 705 to the south-west corner of Survey No 705 then through Survey No. 709 to the north-east corner of Survey No. 696; then the north side of the same survey number and north-west side of Survey No. 695 to its south-west corner, then through Survey No. 709 to the north-west corner of Survey No. 697; then the west and south sides of the same survey number and the south side of Survey No. 700 to its southernmost corner; then through Survey No. 709 to the north-west corner of Survey No. 693; then the west side of the same Survey No. 693 and west side of Survey No. 692 to its south-west corner where it meets the Hornad Halla.

West.—Then the line turns north right along the Hornad Halla to the south-east corner of Survey No. 175 of Hornad Village then right along the common village boundary of Hornad and Mavinakere forming the east side of the said Survey No. 175 of Hornad to the starting point.

N.B.—Survey No. 879 of Mavinakere Village will remain as an enclosure.

No. G. 10193—*Ft.* 267-27-4, *dated 6th March* 1928.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 (*iii*) of the Mysore Forest Regulation XI of 1900 that the area the boundaries of which are set forth in the schedule annexed, to this notification is constituted into a Reserved Forest.

Schedule.

District	Taluk	Hobli	Village	Approximate area	Name of block
Kadur ...	Mudgere ...	Kalasa ..	Mavinakere ...	1,026 acres	Karimane-Kalgode Block.

Situation.

A patch of mixed ever green and deciduous high forest extending from the north-west corner of Samsi village up to the southern boundary of Hornad village.

Boundaries.

North.—Starting from the trijunction bandh of Kalgode, Hornad and Mavinakere villages at the south-west corner of Survey No. 65 of Hornad the line runs along the common boundary between Hornad and Mavinakere villages to the north-west corner of Survey No. 592 of Mavinakere village.

East.—Then the line turns south along the west side of Survey No. 592 to its south-west corner then through Survey No. 550 to the north-east corner of Survey No. 595; then the west side of Survey No. 595 to its south-west corner; then through Survey No. 550 to the north-east corner of Survey No. 591; then its north side to its north-west corner; then through Survey No. 550 to the north-east corner of Survey No. 590 then through Survey No. 550 to the north-west corner of Survey No. 587; then the east side of Survey No. 586 to its northern most corner bandh; then through the same Survey No. 550 to the north-east corner of Survey No. 585, then the north and west sides of Survey No. 585 the north and west sides of Survey No. 577 to its south-west corner then the south side of Survey No. 576, west side of 575 to the south-west corner of the last named survey number; then through Survey No. 550 to the north-west corner of Survey No. 552, then the west side of the same Survey No. 552 to the south-west corner: then through the same Survey No. 550 to the north-east bandh of Survey No. 518; then the north and west sides of the same Survey No. 518, the north and west sides of Survey Nos. 519, 520, 531, to where it meets the Abbugodige Halla; then north-west for about ½ a furlong along the same Halla where another stream joins the said Abbugodige Halla; then south-west along the same Abbugodige Halla to the north-west corner of Survey No. 549; then the south-west sides of Survey No. 549, 548 and 547 to the south-west corner of Survey No. 546; then the west and south sides of Survey No. 546 to the north-east corner of the same Survey No. 546; then through Survey No. 550 to the north-west corner of Survey No. 544; then the west and south sides of Survey No. 544 to its south-east corner; then through Survey No. 550 to the south-west corner of Survey No. 538; then the south side of Survey No. 536 to its south-east corner; then the east side of Survey Nos. 536 and 535, south side of Survey No. 508 to its south-east corner; then through Survey No. 496 to the south-west corner of Survey No. 497; then through Survey No. 496 to the south-west corner of Survey No. 479; then the south-west side of the same Survey No. 479 to its southern corner then through Survey No. 496 to north-west corner of Survey No. 482; then the west side of Survey No. 482 to its south-west corner; then through Survey No. 496 to the south-west corner of Survey No. 483; then the south side of Survey No. 483 to its south-east corner where it meets the Bhadra River; then right along the Bhadra River to a point opposite to the north-west corner of Survey No. 330; then across the River to the last named point; then the west side of Survey Nos. 330 and 329 to the south west corner of the last named survey number; then through Survey No. 314 to the north-west corner of Survey No. 323; then the west sides of Survey Nos. 323 and 322 to the south-west corner of the last named survey number; then through Survey No. 314, straight to the northern boundary of Survey No. 315 then the north and west sides of Survey No. 315, north side of Survey No. 316 to the north-west corner of the last named survey number where it meets the Somavathi: then right along the Somavathi to the south-east corner of Survey No. 308; then the east, north and west sides of Survey Nos. 308 and 307 across the Somavathi to the northernmost corner bandh of Survey No. 304; then the west and south sides of Survey No. 304 to its southernmost corner bandh; then through Survey No. 303 to the north-east corner bandh of Survey No. 253 of Samsi village just where the Somavathi enters the Mavinakere village boundary.

South.—Then the line turns north-west along the Samsi village boundary to the north-west corner of Survey No. 253 of Samsi village.

West.—Then the line turns north-east along the east side of Survey No. 252 to its north-east corner; then right across the Somavathi to the south-east corner bandh of Survey No. 309 then the south-east side of Survey No. 309 south and east sides of Survey Nos. 310 and 313 to the north-east corner of the last named survey number where it meets the River Bhadra; then accross the River Bhadra to the south-east corner of Survey No. 484 then the east and north sides of the same survey number to its north-west corner; then through Survey No. 496 to the northmost point of Survey No. 485; then through the same Survey No. 496 to the north-east corner boundary bandh of Survey No. 493; then right along the eastern, northern and western boundary of Survey No. 494 to the northmost corner bandh of Survey No. 495; then the north, west and south sides of Survey No. 495, the west and south sides of Survey No. 494 the west side of Survey Nos. 493 and 492 and north and west sides of Survey No. 491 to the south-west corner of the last named survey number 491 where it meets the River Bhadra; then west right along the Bhadra to the south-east corner of Survey No. 215 of Samse village; then right along the village boundary forming the east side of Survey No. 215 of Samsi, the north-east side of Survey No. 80 of Kalkode the east side of Survey No. 70 of the same village to the starting point.

No. G. 10192—*Ft.* 267-27-3, *dated 6th March* 1928.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 (iii) of the Mysore Forest Regulation XI of 1900, that the area the boundaries of which are set forth in the schedule annexed to this notification is constituted into a Reserved Forest.

SCHEDULE.

District	Taluk	Hobli	Village	Approximate area	Name of block
				A. g.	
Kadur ..	Mudgere ...	Kalasa ...	Mavinakere	649 0	Devarabetta Block.

SITUATION.

A patch of forest comprised of ever green species mixed with deciduous ones lying south to the Kalasa Town.

BOUNDARIES.

North.—Starting from the north-east corner of Survey No. 338 of the Mavinakere village at about two furlongs from the mouth of the Honari halla an affluant to the Bhadra River the line runs right up the stream to the south-west corner of Survey No. 340, then along the south sides of Survey Nos. 340 and 404 to the north-west corner of Survey No. 405 where it touches the said halla, then the west, south and east sides of the last named survey number to its north-east corner where it meets the same halla; then right along the said Hinari halla to the north-west corner of Survey No. 407; then the west and south sides of Survey No. 407 to a point where the line turns south at the south-east corner of Survey No. 407 corresponding to the south-western corner of Survey No. 408.

East.—Then from the last named point the line runs zig-zag due south along the west side of Survey No. 408 and then through Survey No. 176 to the north-west corner of Survey No. 411; then the west, south and east sides of Survey No. 411, west side of Survey No. 412, west and south sides of Survey No. 413, west side of Survey Nos. 414, 188, 189 190; then the south side of the same Survey No. 190, west side of Survey No. 196, the east and west sides of Survey No. 197, west and south sides of Survey No. 198 and then through Survey No. 176 to the south-west corner of Survey No. 200; then the south side of the same Survey Nos. 200 and 201 to the south-east corner of the last named survey number; then the west side of Survey No. 205 and west and south sides of Survey No. 207 to its south-western corner.

South.—Then the line turns zig-zag in a westerly direction along the west side of Survey No. 211 to its south-west corner then through Survey No. 325 to the south-east corner of Survey No. 253, the east side of Survey Nos. 253, 255 and 256 to the north-east corner of the last named survey number; then through Survey No. 325 to the south-east corner of Survey No. 262 then the east and north sides of 262 to its north-west corner; then through Survey No. 325 to the south-east corner of Survey No. 264: then the east and north sides of Survey No. 264, east side of Survey No. 265, 266, 267, 268, 269, 271, 272, and 273, the north and west sides of Survey No. 273, 271 and 270, south side of Survey No. 270 and the west side of Survey Nos. 268, 267, 266, 265, 264, 263, 261, 260, 259, 258, 252 and 253 to the south-west corner of the last named survey number; then through Survey No. 325 to the north-east corner of Survey No. 223; then north-west side of the said Survey number and Survey No. 224 to the south-west corner of the last named survey number where it meets the Todlu halla which is also an affluent of the Somavathi which flows to the Bhadra River; then along the said Todlu halla to the south-east corner of Survey No. 251; then the east sides of Survey Nos. 251 and 250 to the north-east corner of the last named survey number; then the north and west sides of the said Survey No. 250, east side of Survey Nos. 279, 277 and 276 to the south-west corner of Survey No. 275; then south-east and north sides of Survey No. 275 the east and north-west sides of Survey No. 274, north side of Survey Nos. 286, 287, 294 to the north-west corner of the last named Survey No. 294.

West.—Then the line runs zig zag in a northerly direction in Survey No. 325 to the south-east corner of Survey No. 320; then the east and north of Survey No. 320, north side of Survey No. 321, east side of Survey Nos. 324 and 328 to the north-west corner of Survey No. 327; then the west, south, east and north sides of the same Survey No. 327, north side of Survey No. 326, north and west sides of Survey No. 327, east side of Survey Nos. 328, 330, south side of Survey Nos. 332, west, south, east and north sides of Survey No. 333, east of Survey No. 332 to its north-east corner where it meets the Bhadra River; then along the Bhadra River to the south-west corner of Survey No. 334 then south side of Survey No. 334, west, south and east of Survey No. 335, south and east sides of Survey No. 338 to the starting point.

No. G.-10196—*Ft.* 267-27-7, *dated* 6*th March* 1928.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of Section 35 (iii) of the Mysore Forest Regulation XI of 1900, that the area and the boundaries of which are set forth in the schedule annexed to this notification is constituted into a Reserved Forest.

Schedule.

District	Taluk	Hobli	Village	Approximate area	Name of Block
Kadur ...	Mudgere	Kalasa ...	Mavinakere also called Balagi.	A. g. 2,461 0	Balagi

Situation

A patch of ever-green Forest situated to the north of Kakkode Village and west of Hornad village of the Mudgere Taluk.

Boundaries.

North.—Starting from the trijunction bandhs of Megur and Kalgundi Villages of the Koppa Taluk, and Mavinakere Inam of the Mudgere Taluk, the line runs right along the common village boundary of Kalgundi and Mavinakere forming the southern boundary of Survey No. 25 of Kalgundi and the south-east boundary of Survey No. 32 of the last named village to the trijunction bandhs of Kalgundi, Hornad and Mavinakere Villages.

East.—Then the line turns in a south-east direction right along the Hornad Village boundary forming the south-west side of Survey Nos. 62 and 65 of Hornad Village to the trijunction bandh of Hornad, Kalkode and Mavinakere Villages.

South.—Then the line runs zig zag in a westerly direction right along the Kalkode and Mavinakere Village boundary forming the west side of Survey No. 70 north side of Survey Nos. 41 and 40 the 39 of Kalkode Village to the trijunction village bandh of Kalkode, Megur and Mavinakere Villages.

West.—Then the line turns in a north-easterly direction along the common village boundary between Megur and Mavinakere forming the eastern boundary of Survey No. 41 of Megur to the starting point.

N.B.—Survey Nos. 979 to 999 and 1,003 of Balagi (portion of Mavinakere Inam) remain as enclosures.

No. G. 10195—*Ft.* 267-27-6, *dated* 6*th March* 1928.

The Government of His Highness the Manaraja of Mysore are pleased to declare under the provisions of Section 35 (iii) of the Mysore Forest Regulation XI of 1900, that the area the boundaries of which are set forth in the schedule annexed to this notification is constituted into a Reserved Forest.

Schedule.

District	Taluk	Hobli	Village	Approximate area	Name of Block
Kadur ...	Mudgere	Kalasa ...	Totadur ...	A. g. 660 0	Totadur

Situation.

A patch of mixed ever-green and deciduous high forest extending from the Bale-hole-Basarikatte Road in the east to Hornad and Attikodige Village boundaries in the west.

Boundaries.

North.—Starting from the trijunction bandhs of Attikodige and Honagundi Villages of the Koppa Taluk and Totadur of the Mudgere Taluk, the line runs east along the village boundary to the north-west corner of Survey No. 60 of Totadur; then the west and south sides of Survey No. 60 to south side of Survey No. 61 where it meets the Basarikatte-Balehole Road.

East.—Then the line turns south zig zag right along the said Basarikatte-Balehole Road to the halla which is about 50 yards from the north-east corner of Survey No. 33 of Totadur, then the line turns west right along the said stream (halla) to where it joins another bigger halla at the north-east corner of Survey No. 44; then the west side of Survey No. 44,

north and west side of Survey No. 49, north sides of Survey Nos. 50 and 53, the west side of the last named Survey number and Survey No. 54 to the south-west corner of the last named Survey number, where it meets the Talagode Halla; then along the Talagode village boundary forming the north side of Survey Nos. 182 and 181 of Talagode Village to the south-east corner of Survey No. 56 of Totadur; then the east side of Survey Nos. 56 and 59, north and west side of the last named Survey No. 59, west side of Survey No. 56 to its south-west corner on the Talagode village boundary; then along the Talagode village boundary forming the north side of Survey No. 180 of Talagode Village to the trijunction bandhs of Talagode, Hornad and Totadur.

West.—Then the line turns north along the common village boundary between Hornad and Totadur to the trijunction bandhs of Hornad, Attikodage and Totadur and then right along the common village boundary between Attikodige and Totadur to the starting point.

N.B.—Survey Nos. 16 to 29 of Totadur remain as enclosures.

No. G. 10514—*Sany.* 5-27-14, *dated* 14*th March* 1928.
